

## Put more fire in your Firebox®

Are you getting the power you need from your network? By upgrading your Firebox® X Core™ to the Fireware™ Pro advanced security and network operating system, you'll be packing a solid "one-two punch" of stronger security and maximum uptime:

- **Multi-WAN Failover and Load Sharing** boosts network availability and performance
- **Policy-based Traffic Management and QoS** gives your business-critical applications dedicated bandwidth
- **Port Independence** lets you define port usage for easier segmentation and stronger, policy-based security
- **Fireware™ Pro** advanced security and network operating system drives advanced networking
- **Dynamic Routing** automatically updates tables to maximize network flexibility, redundancy, and efficiency

**Upgrade Today and Get Gateway AV/IPS  
FREE for 30 days**

**Purchase Fireware Pro** today and you'll automatically get a FREE 30-day trial of Gateway AntiVirus/Intrusion Prevention Service (Gateway AV/IPS). Contact us today at **1.800.734.9905** to get exceptional protection and network uptime, plus FREE signature-based protection at your gateway!

Upgrade to  
Fireware™ Pro and  
Get Gateway AV/IPS  
**FREE** for 30 days
